

FUGLEN COFFEE ROASTERS OSLO

## NANSEBO ESPRESSO

Origin:	Ethiopia
Producer:	Smallholder producers
Region:	Nansebo, West Arsi
Washing Station:	Mandeyo
Varieties:	Heirloom
Process:	Natural
Altitude:	1950 - 2300 m.a.s.l.
Flavour Profile:	Blueberry, Grape & Candied lime

Since 2020, Moplaco Trading has been working together with father & son team Digaffe & Andinet who own 4 stations in Nansebo, West Arsi. This natural processed coffee is grown by smallholder producers in the area of Nansebo. The area has rich clay soil that produces complex fruity coffees. Producers hand pick coffee cherries during the harvest season which is from October to January and deliver them to the Mandeyo washing station.
